## "DID YOU KNOW?"

### MHID has a Mascot, meet Owlbert!

Created as part of MHID's Did You Know Campaign and chosen through a staff contest, Owlbert was thoughtfully designed by one of our own.

Owlbert symbolizes wisdom, insight, and understanding. He embodies our mission to raise awareness around mental health and intellectual disabilities.

He's a reminder to lead with empathy, celebrate diverse minds, and see the strength in every individual.

### SUPPORT NCMHID'S MISSION
